EXPERIENCE

Nadgwick Painting and Remodelling LLC, Omaha, NE — *Painting Contractor*

JUNE 2015 - PRESENT

Discussed construction and painting projects with homeowners in and around the Omaha area. Consistently completed jobs with high client satisfaction.

Independent Contractor, Omaha, NE — *Freelance Web Developer*

APRIL 2020 - PRESENT

Worked with small businesses in and around the Omaha area to purchase domain names, host, design and create Wordpress sites. Completed work within given time constraints with excellent client satisfaction.

gWorks, Omaha, NE — *Web Development Intern*

NOVEMBER 2019 - FEBRUARY 2020

Worked in a development team to continuously add features to an existing codebase. Independently created Grafana dashboards that helped to effectively visualize application and server data while the business underwent a denial of service.

EDUCATION

University of Nebraska, Omaha — B.A., Computer Science

AUGUST 2014 - DECEMBER 2019

PROJECTS

Senior Capstone — *Omaha Game Jam Web App*

AUGUST 2019 - DECEMBER 2019

Worked as part of a five man team to create a web application that would simplify updating information for an admin user hosting game jam events. Efficiently designated work to each member of the team to take advantage of different strengths and weaknesses with regard to frontend and backend knowledge.
